Overview:

Staying up to date on the latest developments in public company reporting responsibilities and issues can be challenging in today's fast-paced corporate environment. Using modern technology, the SEC, FINRA, boards, shareholders, and industry competitors are closely scrutinizing corporate disclosures in more detail than ever before. Management needs to be current in the latest developments affecting their companies and their disclosures and prepare for the future of public company regulation. At the 2018 SEC Conference, attendees will learn about the latest legal and accounting topics facing public companies today.

Seminar Topics Include:

- SEC Rules Changes and Updates
- Executive Compensation Disclosure Updates
- Accounting Rule Changes and Updates Including PCAOB and CECL Developments
- Internal Control over Financial Reporting and Best Practices
- Disclosure Trends
- Corporate Governance Update
